CAMELEY PARISH COUNCIL

## 1. Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2017; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

## 2. 2016/17 External auditor report

(Except for the matters reported below)\* on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislative and regulatory requirements have not been met. (\*delete as appropriate).

Cameley Parish Council  
External Auditor Report for the year ended 31 March 2017**

**Matters Reported**

**Information required for audit**

The Authority submitted its Annual Return for audit on the 20 June 2017.

Guidance requires that appropriate information is provided to the auditor, upon request, to substantiate the figures reported in the Annual Return.

We requested a breakdown of the Authority's receipts. Upon review of this information, we have identified a £30 imbalance between the Box 3 figure and the breakdown provided. The Authority believe this is due to petty cash, which should not be included in Box 3 of the Annual Return.

Consequently, we have been unable to gain sufficient assurance over the Box 3 figure.

The Authority should ensure that, in future years, it provides appropriate corroborated information to auditor requests in accordance with the requirements.
