

Temple Cloud in Bloom

Summer is coming to an end so are the summer displays in the planters, hastened by unseasonal strong winds. So we look forward to replacing them with a display that will last from Autumn to Spring.

The hedge on the left hand side of Temple Inn Lane from the pub towards Oaklands was becoming so overgrown it was difficult to pass when walking along the pavement. Thankfully the sun shone on our Working Saturday Morning, enabling us to give the hedge a good trim, enabling all to pass safely.

Our next Community Gardening Get Together is on **Saturday 14th October between 10am-12pm**. So, please come and join us, meeting at the end of Paulmont Rise. All are welcome, tea and coffee and homemade cakes provided!! Just bring tools and enthusiasm.

Take a look at our Facebook Page, Temple Cloud in Bloom TCiB, and keep up to date with progress and forthcoming events.

If you can't join us, here are 3 jobs for the garden over the coming month.

1. This month may be the last chance for mowing the lawn or trimming hedges.
2. Continue to plant spring flowering bulbs as well as spring bedding plants such as wallflowers and primulas.
3. Cut back herbaceous perennials, lifting and dividing them if they have become overcrowded.

If you are interested in getting involved please contact Doris on 451060 for details of the next meeting.
