

Electoral Review of Bath and North East Somerset

The independent Local Government Boundary Commission for England is carrying out an electoral review of Bath and North East Somerset Council.

The review will draw new council ward boundaries across Bath and North East Somerset.

The Commission has also announced that the council should have 59 councillors in future: six fewer than it currently has.

Now we are asking for evidence about your local area to help us decide a new pattern of wards for Bath and North East Somerset.

Your views will make a difference

Local people know their area best. That's why we are asking you for evidence on a range of issues:

- Do you have suggestions about where your ward boundaries should be?
- Which areas do you identify as your local community?
- Where do people in your area go to access local facilities such as shops and leisure activities?
