High Littleton & Hallatrow Neighbourhood Plan - consultation feedback

In accordance with Neighbourhood Planning Regulation 14, High Littleton Parish Council is undertaking a public consultation on its Pre-Submission Neighbourhood Development Plan and is inviting comments from organisations and individuals. The public consultation runs from 13th June 2023 until 25th July 2023.

All comments will be made publicly available on the Parish Council website after the consultation period. Comments submitted by individuals will be anonymous on publication. Comments submitted by organisations will be identifiable by organisation name and organisation type. All other personal information provided will be protected according to the Data Protection Act 2018 and will not be made available online or otherwise.

The Neighbourhood Plan can be viewed on the High Littleton Parish Council website, here:

On behalf of High Littleton Parish Council, thank you for taking time to respond to this survey.

Planning & Development

Policies in section 5.2 of the plan aim to support proportionate, sustainable and small-scale residential development, in a way that enhances the character of the area and protects the natural and historic environment for future generations, through:

- Preserving the rural setting of the villages
- Supporting small-scale, infill developments (up to 9 dwellings) that take into consideration the limited capacity of the infrastructure and facilities of the parish
- Maintaining village boundaries between High Littleton and Hallatrow
- Delivering Carbon Net Zero and build resilience to Climate Change
- Supporting safe walking routes

Are you in general agreement with these policies?

☐ Yes ☐ No ☐ Not Sure

Please make any comments on this policy area in the box below:

Environment & Sustainability

Policies in section 5.3 aim to safeguard and enhance the natural habitat and biodiversity within the parish and to adapt and build resilience to a changing climate, supporting the net-zero carbon objectives of the Council, through:

- Maintaining a healthy ecosystem
- Minimizing light pollution
- Improving surface water management
- Safeguarding Local Green Spaces

Are you in general agreement with these policies?

☐ Yes ☐ No ☐ Not Sure

Please make any comments on this policy area in the box below:

Heritage & Historic Buildings

The Policies (section 5.4) aim to recognise heritage of assets (including buildings, walls and monuments), specific areas of historic importance and historic natural features (including trees and hedges) in the parish such that they can be preserved to maintain the distinct character of the parish, through:

- Protecting the character of historic buildings
- Preserving period features and character & maintain the design build style
- Preserving the historic core of High Littleton

Are you in general agreement with these policies?

☐ Yes ☐ No ☐ Not Sure
